## School of the Phoenix

VIEW SOURCE

This fan-fiction article, **School of the Phoenix**, was written by [Witcher190](#). Please do not edit this fiction without the writer's permission.

The **School of the Phoenix** was a witcher school that [Putnam Pitch](#) heard about during his time in [Ofir](#) when he was mistaken for a witcher from that school.

As with the [School of the Spider](#), the little knowledge of this school, is from recovered material and legends. In this case, the only legends that exist are about a witcheress named [Andronika](#).

Supposedly, the school would have originated in the territory of [Tenoch](#), but then it would have moved to the [Free Lands](#). All this, because of the way this witcheress was described.

[Putnam Pitch](#) heard about this school from a
